

Curriculum Vitae

Personal Details

| | |
|-----------------|--|
| Date of birth | 15 June 1975 |
| Place of Birth | Kazachinskoye village, Irkutsk region |
| Marital status | married, 2 Children |
| Language skills | Russian - native German - high – intermediate English - beginner |

Education

University education

| | |
|--------------------|---|
| 2018 | Continuing professional education at Irkutsk State Technical University (ISTU) according to the program "Teaching chemistry subjects at the University" |
| 2006 | An academic title of Lecturer at the Department of Chemistry was awarded. |
| 2003 | Scientific degree: Doctor of Technical Sciences. |
| 2001-2002 | Diploma "Translator in the field of professional communication" (German), Faculty of Applied Linguistics, ISTU. |
| 1.10.1999 -2001 | Full-time postgraduate studies in the specialty 05.16.02 "Metallurgy of ferrous, non-ferrous and rare metals" |
| 1992-1997 | Irkutsk State Technical University, Faculty of Chemistry-Metallurgy, Diploma - Ecologist, specialty "Environmental protection and rational use of nature", graduated as a diploma with distinction.– Ecologist. |

School education

| | |
|-----------|--|
| 1982-1992 | Kazachensk secondary school №1, graduated with honors. |
|-----------|--|

Practice

| | |
|--------------------|--|
| 2016 (28.04-16.05) | Scientific mission in the Russian-German Laboratory for Polar and Marine Research named after O.U. Schmidt of the Federal State Budgetary Institution „Arctic and Antarctic“ Scientific Research Institute of the State Service of „Hydrometeorology and Environmental Monitoring“, Saint Petersburg. |
|--------------------|--|

- 2014 (26.06-04.07) Scientific mission at the Helmholtz Centre for Environmental Research UFZ (Leipzig). Lecturing in German.
- 2014 (16.06-25.06) Scientific business trip at the Technical University Bergakademie(Freiberg), Institute for non-ferrous metallurgy and pure substances. Lecturing in German.
- 1994 (1.10-29.12) Scientific business trip according to the program "Michael Lomonosov", Ministry of Education of the RF + DAAD at the Brandenburg Technical University (Central Analytical Laboratory of the Cottbus City).

Professional activity

1.09.2002 -
Until now Irkutsk National Research Technical University, Institute of High Technologies, Associate Professor of the Department of Chemistry and Food Technology.

Scientific interests:

Environmental: Problems of soil, air and water contamination with Substances.

Hydroelectrometallurgy: Electrolytic extraction of metals.

Scientific publications: 48 scientific publications and 11 educational methodical works.

Skills/Hobbies:

Expert of the international competition **Worldskills** in the field of "Laboratory-chemical analysis"

Favorite activities:

Traveling, learning foreign languages, Skiing and also Swimming.

Irkutsk, 3 March 2022
