

Biography

I, Irina A. Karpova, was born on March 13, 1983 in the city of Tulun, Irkutsk region, Russia.

In September 1990 I became a pupil of school No. 25 in Tulun.

In August 2000 I entered Irkutsk State Technical University, Mining Faculty and graduated from it with a degree in Mine Surveying in June 2005.

I'm not married.

From 2006 to the present, I have been working at Irkutsk National Research Technical University as a senior lecturer at the Department of Mine Surveying and Geodesy.
