## CHUNG-ANG UNIVERSITY

Chung-Ang University is a private institution with 30,000 students and 982 faculty members. It consists of 10 undergraduate colleges and 16 graduate schools. It operates two campuses, in Seoul and Anseong, Korea. Established in 1918, CAU has endured through the painful course of Korea's modern history, upholding its ideal of "Justice and Truth". Since then, CAU has taken a leading role in nurturing intellectuals of the nation. Respected as leading institution providing high quality education, CAU has sped up the pace of innovation in local education.
